Follow-Up to Meeting in Washington, DC

Steering Committee members reported that there was interest from other Regionals in the collection profile survey we are developing. A draft of the survey will be circulated soon.

Collection Profile Survey

There were a few minor wording changes to the draft survey. The group agreed the question about the commercial products used by each library could be quite complex and should be distributed separately. We will extract product names from the listings created by U-Virginia and U-Michigan to create this new survey form. The collection profile survey will be distributed to the aserl_regionals list, seeking comments by December 15th.

Questions from Tennessee Library Association

The group reviewed the questions received from TLA/GODORT. We will draft responses to each

Outreach to Law Librarians

The agenda for the Southeastern Association of Law Librarians (SEALL) next meeting has been set. We will see if we can get a few minutes to field any questions about our program at this meeting.

Update at ASERL Directors Meeting

Judy, David and John will be at the ASERL Directors Meeting in New Orleans on Nov 27 - 28. Time has been allotted on the agenda for a program update. The Program Update that was prepared for the DC meeting will be distributed to the directors.

Other Outreach Activities

We will attempt to get a few minutes during the ALA/GODORT/FDTF update session at ALA Midwinter Meeting in January to provide an update on the program.

Adjournment
