Pricing

The offer is based on the Carnegie classification system for academic institutions. The chart on the following page outlines the prices and discounts.

- Tier 4: "Doctorate 100+" means that the institution grants at least 100 doctorates per year.
- Tier 3: "Masters 200+" means that the institution awards at least 200 masters degrees per year.
- In each instance, if the institution does NOT meet the threshold, the institution is placed in the next lower tier. For example, if a doctorate-granting institution grants 99 PhDs per year, they are in Tier 3.
- 2017 UC Press Complete or Complete Plus customers will receive a 3-5% price increase for the 2018 renewal period.
