

**1. My University:****\* 2. My role in supporting Scholars Trust is... (check all that apply)**

- Research titles for retention eligibility.
- Recommend titles for retention.
- Decide which title to retain.
- Update bibliographic records.
- Update Journal Retention & Needs Listing [JRNL].
- Other (please specify)

**3. Print journal retention is an institutional priority for my library.**

- Yes, with designated staff/resources.
- Yes, as staffing/resources permit.
- No, print journal retention is not a high priority for my library.

**4. If you answered yes to question 3 above, what is the approximate number of staff hours allocated to the program per week (on average)?****5. My library's intent to commit additional titles for Scholars Trust is...**

- Strategic – We have an established monthly/annual goal for number of titles committed.
- Sporadic – We select titles to be retained as time/resources permit.
- Completed – We do not expect to commit additional titles for retention at this time.
- Unknown – We have not made an explicit decision.

6. If you answered "Strategic" or "Sporadic" in question 5 above, what is the estimated number of titles per year?

7. If your library has no plans to contribute additional titles to the program, what are the determining factors for this decision? Please comment.

8. Would establishing benchmarks/standards for expectations on the number of titles committed to Scholars Trust (# titles added per year) be useful to your efforts? Please comment.

Yes, please comment.

No, please comment.

No opinion.

9. In general, the titles my library has committed to retain for Scholars Trust are best described as:

- Rare/Unique.
- Widely held.
- A mix of both.
- Unknown/I don't know.
- Other (please specify)

10. My library has made space reallocation decisions based on titles retained within Scholars Trust. [check all that apply]

- Yes, my library has withdrawn duplicate Scholars Trust titles to create free space.
- Yes, my library has plans to withdraw duplicate Scholars Trust titles to create free space within the next two years.
- Not currently, my library will address space reallocation within the next 3-5 years.
- No, space reallocation is not a priority for my library for the foreseeable future.

11. If space reallocation is not a priority for your library, what is the resource benefit for participation in Scholars Trust? Please comment.

12. Participation in Scholars Trust's existing subject-focused collections (Agriculture and Architecture journals) has plateaued. Are there other subject areas we should consider that would be useful to you? Please comment.

13. Please describe the value of the following functionality of the Journal Retention and Needs Listing [JRNL] database as a decision support tool for your library.

	Required for decision support	Useful for decision support	Of no value for decision support
Registration of retained titles/holdings by shared print programs (ASERL, BTAA, FLARE, Scholars Trust, TRLN, WEST, WRLC).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Express needs (gaps) in holdings.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ability to communicate offers to fill gaps in participating libraries' holdings.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Search options to facilitate selection/deselection: Title, OCLC Number, OCLC Number File, Publisher, ISSN, and LCCN.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Facilities profiles (physical description of location/environment of committed titles).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
LC Subject Classification.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Disclosure of print journal retention commitments via publicly accessible title list on ASERL/ScholarsTrust website.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Disclosure of print journal retention commitments via PAPR (CRL's Print Archive Preservation Registry).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

14. What additional functionality would you like to see in a decision support tool for selecting journals for retention? Please comment.

15. What can ASERL staff do to support your library's participation in Scholars Trust? Please comment.
