

Mergent Investext

A Mergent Online Module

Special Investext Discount for ASERL Libraries

Mergent is pleased to announce exclusive Mergent Investext discounted pricing for ASERL libraries. The Investext module provides access to Thomson Reuters Embargoed Research Collection.

Mergent's Investext module currently provides:

- Embargoed research reports from over 2000 global contributors.
- Contains over 18 million current and historical broker reports on companies, industries, products and markets with full history going back to the early 1980's.
- Contributors include J.P. Morgan, Deutsche Bank, Oppenheimer, UBS AG and more.
- No browser restrictions and no limits on the number of downloads.

Exclusive ASERL libraries Investext pricing

- 20% discount for new subscribers.
- 10% discount for current subscribers once the group reaches 4 new subscribers.
- Will honor outstanding quotes within the last 12 months.
- Additional discounts available once the group passes the thresholds below:
 - 10 subscribers – Additional 3% discount
 - 15 subscribers – Additional 6% discount
 - 20 subscribers – Additional 10% discount
- Current subscribers and institutions with pricing that has already been reduced, qualify for the threshold discounts.

Restrictions

- Recent quotes where normal pricing has already been reduced will not be eligible for the additional 20% discount.

You can explore the [Investext brochure](#) for additional information and contact your regional representative listed below.
