Lost Louisville

Ghost Buildings of Louisville, Kentucky

https://lostlouisville.library.louisville.edu/
Bordered on the north and west by the Ohio River, Louisville has always been prone to flooding. Floods in 1884, 1937, 1945, and 1964 all crested at over 40 feet; these and numerous other floods caused incalculable damage to homes and businesses.

Big Hearted Charles Grocery, 255 N. Campbell Street, 1936. ULPA CS 143667.
<script type="text/javascript">
// -----------------------------------------------------------
//  Application configuration
// -----------------------------------------------------------
var configOptions = {
    // Enter an application ID created through the Cascade builder
    appid: "",
    // Optionally, to secure Cascade’s access, if the story item is private or to use the builder
    // configure an ArcGIS OAuth application ID (example: 6gyOg377fULUhUK6f)
    // When specified, sign-in is mandatory even if your story is public
    oauthAppId: "",
    // Optionally, to use the appid URL parameter, configure authorizedOwners to reference
    // members whose stories can be viewed by this storytelling app.
    // To authorize stories owned by...
    // specific members: use ["member"] or ["member1", "member2", ...]
    // any ArcGIS member: use ["*"]
    // any member of one or more organizations: use ["[orgID]" or ["[orgID1]", "[orgID2]", ...] (Note the use
    // of brackets in this case, e.g., ["[nz50F0zd6yVs7nc8]"])  
    // You can get your orgID by going to My Organization and clicking Find...The most viewed items in the
    // organization.
    // Your orgID will be shown in the search box.
    authorizedOwners: ["tlholio2"]
};
</script>
NW corner of Main & 2nd Streets, Louisville, Ky.
